██████████ called at 1045 this morning asking that we produce by 1145 (for use by the DCI) any information that we have received on the following:

- a. Any anti-communist statement by leading Buddhists concerning the current revolt in Tibet.
- b. Any anti-communist statements since the beginning of the Tibetan revolt by "neutral" Asian leaders.
- c. Any anti-communist statements by leading Buddhists during the past year.

5X1A9a ██████████ took the call, advising ██████████ that we would 25X1A9a make the best search possible in the short time allotted.

The five attached items were uncovered. ██████████ 25X1A9a was called at 1145 and advised of the DR page numbers on which he could find 1 and 2. The remaining three were run on the DD/I's wire.
